Think of Macy's Thanksgiving Day Parade, The National Dog Show, Miracle on 34th Street, or whatever else you like to watch on this special day. Think of your relatives who will soon be arriving with the hopes of a feast living up to their expectations. Think: Thanksgiving. Think: the November Campout. Your own expectations will be tested this weekend November 19th 2011. Families welcomed!

Ingredients

1 (12 pound) whole turkey, neck and giblets removed

1/2 cup butter, cubed

2 apples, cored and halved

1 tablespoon garlic powder

salt and pepper to taste

2/3 (750 milliliter) bottle champagne

Directions

Preheat oven to 350 degrees F (175 degrees C). Rinse turkey, and pat dry. Gently loosen turkey breast skin, and insert pieces of butter between the skin and breast. Place apples inside the turkey's cavity. Sprinkle with garlic powder, salt, and pepper. Place turkey in a roasting bag, and pour champagne over the inside and outside of the bird. Close bag, and place turkey in a roasting pan. Bake turkey 3 to 3 1/2 hours in the preheated oven, or until the internal temperature is 180 degrees F (85 degrees C) when measured in the meatiest part of the thigh. Remove turkey from bag, and let stand for at least 20 minutes before carving.
